

Short courses of WRI-17

The 2nd International Association of Geochemistry (IAGC) Conference
Water-Rock Interaction WRI-17
Applied Isotope Geochemistry AIG-14
in SENDAI 2023

Short Course 1

Applications of Isotopes (Including Noble Gases) in
Hydrological and Geothermal Studies

Date: August 17, 2023

Time: 10:00 AM to 3:00 PM

Venue: Lecture Room 1 (404), 4th floor

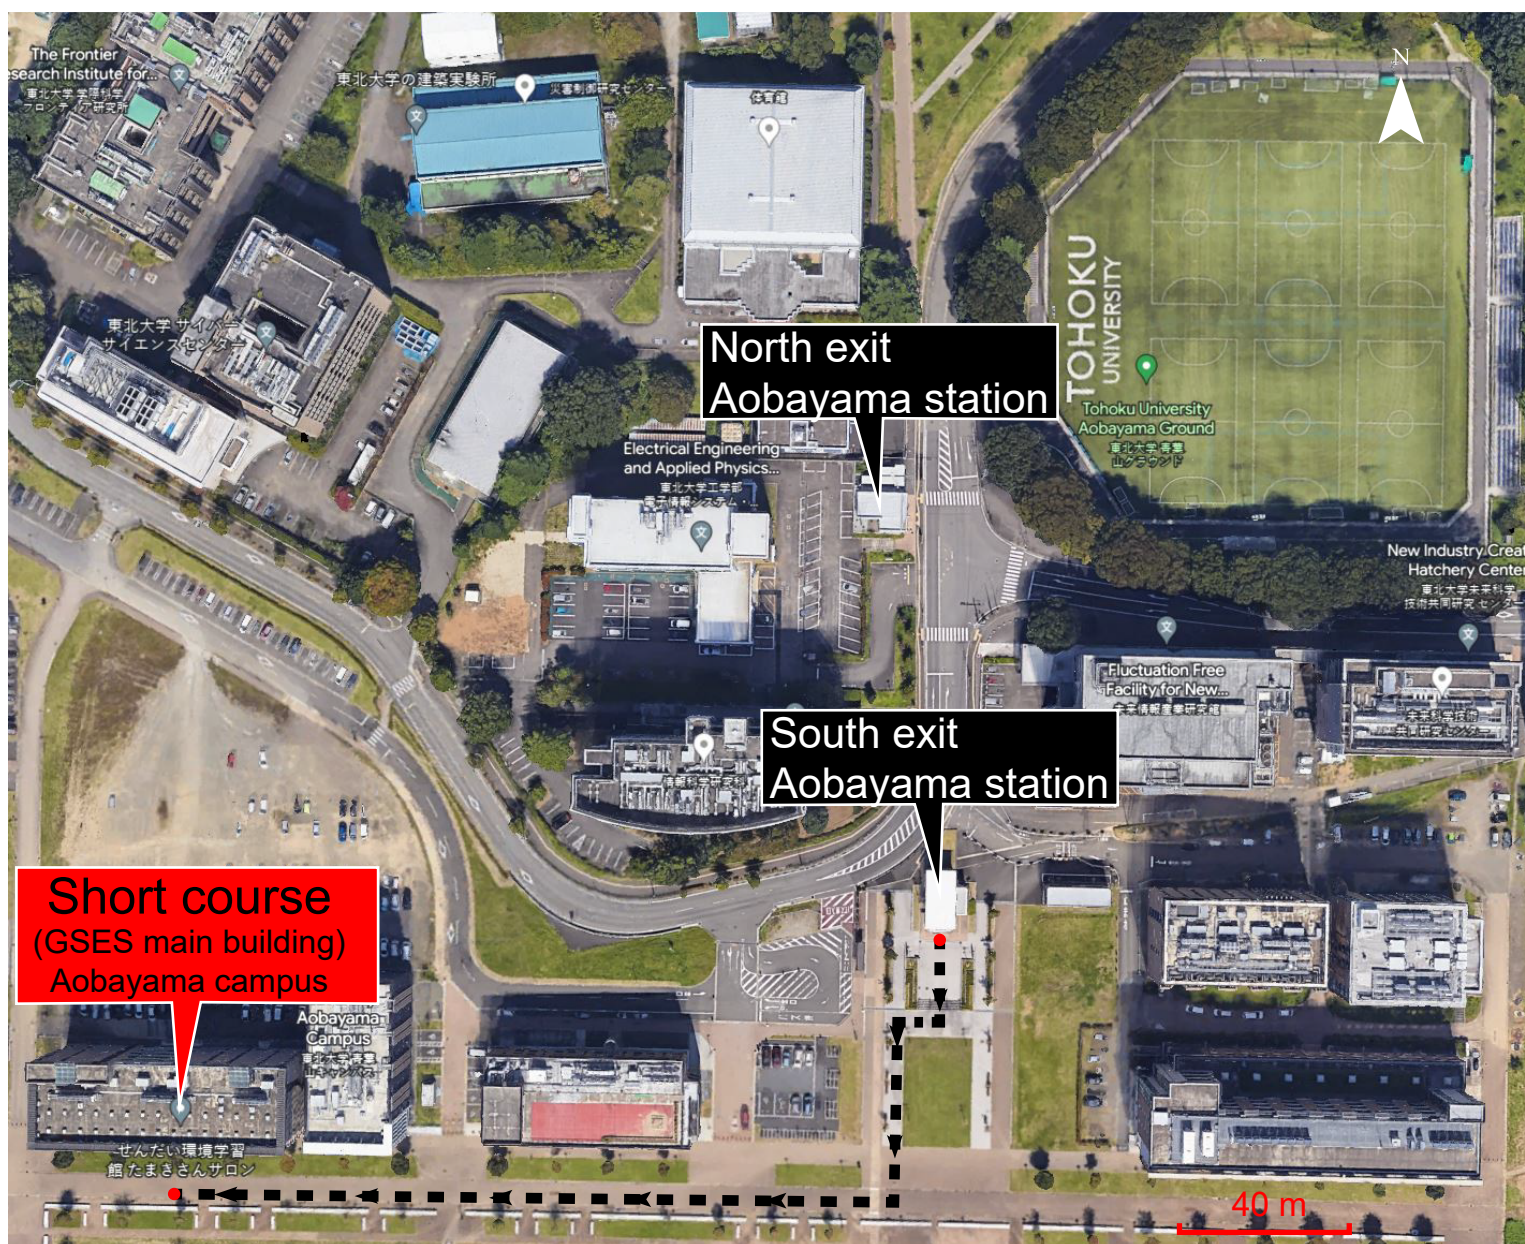

Short Course 2

Advanced Geochemical Modeling

Date: August 17, 2023

Time: 10:00 AM to 3:00 PM

Venue: Lecture Hall 2nd floor, GSES main
building

Location: Graduated School of Environmental
Studies (GSES) main building, Aobayama campus
